EE 492 ENGINEERING PROJECT
ORAL PRESENTATION EVALUATION FORM

Advisor's First and Last Name   :

Advisor's Signature   :

Student's First and Last Name   :

The title of the Report   :

Subject Comprehension (over 50): Subject comprehension of the student should be graded based on project report, student presentation and performance. But, usage of the English language, assigned subject level, or presentation quality should not be the issue for grading this section.

	45-50	**Outstanding**: A comprehensive grasp of the subject is demonstrated, including an in-depth understanding of the relevant concepts, theories, and issues related to the topic. All subject related questions are answered with confidence.
	30-44	**Good**: A good grasp of the subject is demonstrated. A good understanding of the relevant issues is shown. Most of the related questions are answered correctly.
	15-29	**Average**: A primary grasp of the subject is demonstrated. Few subject related questions are answered correctly.
	1-14	**Weak**: Weak grasp of the subject is demonstrated. Many misconceptions exist. There are difficulties in answering fundamental questions.

English Language Usage (over 30): The student should present the project in English. Grading should be based on the presentation.

	5	**Outstanding**: Proficiency level. Uses the language as a native English Language speaker.
	4	**Good**: Upper-intermediate level. Uses language effectively and with confidence.
	3	**Average**: Intermediate level. Uses language with some confidence.
	2	**Weak**: Elementary level. Reads mostly. Has difficulties in understanding questions—struggles in using the language.

Organization of Presentation: (over 30): The presentation should have an organized template and format. Grading should be according to the organization of the presentation.

	5	**Outstanding:** Obeyed all the rules for a presentation, slides and presentation quality are perfect.
	4	**Good**: Most of the rules are obeyed, slides and presentation quality is good.
	3	**Average**: Half of the rules are obeyed, slides and presentation quality are ordinary.
	2	**Weak**: No rules are obeyed, slides and presentation quality are not good.

Subject Comprehension (max. 50p)	English Language Usage (max. 30p)	Organization of Presentation (max. 30p)	Penalty*	TOTAL (max. 110p)
